

JORDANELLE STATE PARK ANNOUNCES 2008 SILENT AUCTION AND RANDOM DRAW PROCEDURES BOAT SLIP ACQUISITION

The Division of Utah State Parks and Recreation announces a new silent auction in addition to the random draw for boat slips at Jordanelle State Park.

For the first time since Jordanelle State Park opened to the public in 1995, there will be a silent auction for boat slips. The silent auction process will take place prior to the random draw.

- No more than half of the available slips per pool will be filled through the silent auction process, with no more than 23 of the 62 slips awarded to high bidders.
- Only minimum auctions of 50% more than the current publicized State Parks fee schedule will be accepted.
- Successful recipients will receive a six-month contract from May 1 through October 31, 2008. Upon successful completion of the six-month contract, slip holders will have the option to renew for an additional six-month term. The lease period is not to exceed two consecutive seasons, 2008 through 2009.

Applicants may choose to apply to both the silent auction and random draw processes. Successful recipients of the silent auction will be pulled prior to the random draw.
