

Hyrum State Park Cabin Rules

Please help us continue to offer this unique experience by complying with the following rules:

- **Leave it the way you found it.** Unfortunately, we do not have the resources to treat the cabins like a hotel room. You are responsible for light cleaning and removing all garbage from the cabin.
- **NO SMOKING in the cabins.** Please be considerate of the people who will stay in the Cabins after you. Evidence of smoking in the cabin will affect your deposit.
- **Pets are not allowed.** If you would like to bring your pets with you next time they are welcome in all of the other campsites. Pets are not allowed inside the cabin or on the deck.
- **Furniture remains in the cabin.** Our furniture is indoor quality only and can be ruined by weathering of all sorts. Feel free to set up your own camp chairs on the porch or outside on the lawn.
- **Campstoves and open flames are prohibited in the cabin.** Please use the microwave for any indoor cooking needs. All other stoves and cooking items must be used outside. Indoor cooking creates grease spills, burnt furniture, and lasting odors.
- **Cabin Occupancy is limited to 8 people.** The cabin is designed to accommodate up to 8 people. Parking is available in the designated parking area only. Please do not drive or park on the grass. A second vehicle may be accommodated for an extra vehicle fee of \$10 per night.
- **Campfires permitted in designated areas only.** Please use the upright barbeque stand for any campfires. You may also use portable fire rings that are at least six inches above ground. Do not chop wood on the cabin deck.
- **There are no additional camp units when staying in the cabins.** You are not allowed to use a camper trailer in the parking lot or pitch tents around the cabin. You must buy a camping site for any additional camp units.
- **An adult must directly supervise children less than 16 years of age.** It is our experience that kids enjoy jumping on furniture and twisting knobs on the air conditioner. Please do not leave your children unattended.
