Business Phone:

County in which you live:

Parent or Guardian Name:

COST PER PARTICIPANT: \$10.00 per student for the first skills module and written test. Additional skill modules are \$5.00 each. ** Refunds will only be given within 6 months of registration receipt. \$5.00 is non-refundable**

\$ _____ **Total Amount Enclosed**

____ Cash (DO NOT send Cash through the mail!) ____ Check ____ Visa ____ MasterCard ____ American Express
(Make checks payable to: Utah State Parks OHV Education)

For Visa, MasterCard and American Express: Name on card _____

Account Number: _____ Expiration Date: _____

Card Holders Signature:

If possible, we would like to participate in a class on or before:

Desired Date: _____

In Which County:

(1st Choice): _____

OR:

(2nd Choice): _____

*There are two different skills modules (ATV and off-highway motorcycle) offered. A student is only required to take the written test once; however, if a student operates more than one type of OHV, they are required to be certified on each type of machine operated. Type II ATV riders only need to take the written test. (a Type II ATV is a dune buggy, sand rail, odyssey, or similar vehicle).

Please indicate if any of the above students have special needs (hearing impairment, etc) which would require accommodation: _____

I certify that the above named are at least 8 years old, and request enrollment of the above students in the Utah OHV Education Program.

Parent or Guardian's Signature

Date

Dear Student:

Welcome to “Know Before You Go”, the Utah off-highway vehicle education program. The Utah Division of Parks and Recreation congratulates you for taking the first step towards becoming a safer and more responsible OHV rider. By studying and using the information contained in the Student Manual (which will be sent to you after we receive your application and fee) and in your skills module classes, you can help make the sport of OHV riding safer and more fun for everyone!

When you receive your student manual, please carefully read and study the entire manual. Have your parents help you understand this material. Take the quizzes at the end of each chapter. These questions are similar to the questions on the written test you will take the day of your riding class. Also, study the material in the back of the workbook for additional information. A separate course is also available for snowmobiles.

On the day of your riding skills class, you will take a 50 question true/false and multiple choice written test on the material in the student manual. You must answer at least 35 questions correctly in order to pass and enter the riding skills class. If you don't pass, you will need to study the workbook again and reschedule your riding skills class for another day.

Are you ready? Here are some things you need to do now to obtain your OHV Safety Certificate:

1. Complete the enclosed application and return it, along with your payment, to our office as soon as possible. Up to four students from a family can register together on one application. When we receive your application and payment, we will issue a study manual to you.
2. **When you have finished studying your manual and feel like you are ready to take your test and skills class, call our office to schedule a date for your class!**
3. Have your parent or guardian bring you to the range. Your parent/guardian should plan to stay with you during the class. Each student must have their own OHV to use during the class. **Because we will be riding together as a group, sharing of OHVs will not work.** Each OHV must be properly registered, and each rider must have the right safety gear as outlined in the student manual. That means you will need your own safety approved helmet, goggles or face shield, gloves, long sleeved shirt, long pants and over the ankle boots. Your class will last about 4 hours, so you might want to bring drinks and snacks too.
4. After you have passed the written test and the riding skills module, you will receive your certificate!

If you or your parents have questions about the program, you may call us at 538-RIDE (538-7433) from within the Salt Lake calling area or at 1-800-OHV-RIDE (1-800-648-7433) from outside the Salt Lake calling area.

Thanks again for your interest in OHV riding in Utah! We look forward to having you in our classes.

Sincerely,

Ann Evans
Utah OHV Education Specialist
