

COURSE DESCRIPTION:

Palisade State Park Golf Course measures at 6,360 yards from the back tee markers but plays longer because all the par-5s go uphill. However, the golf course will challenge even the most advanced player because of the difficulties encountered around the greens. The mountain layout has an elevation change of 230 feet rising from 5885 feet at the base to 6115 at the top.

AMENITIES:

Driving range, practice green, full-service golf shop, PGA professional providing both private golf lessons and group clinics along with video swing analysis.

Lakeside Grill is a full serviced food and beverage operation with group capacity for 130 quests.

STAKE PARK:

Palisade State Park is a destination for many recreation pursuits. The 70-acre Palisade Reservoir draws swimmers, year round anglers and boaters. Hiking areas abound and Six-mile Canyon provides excellent off-highway vehicle riding just outside the park. Palisade State Park offers 75 campsites. Other amenities include a sandy beach, modern restrooms, hot showers, full hookups, group camping, and cabins. Canoe and paddleboat rentals are also available.
